DEAR CUSTOMER,

ABOUT US

Here at Stone River Furniture, we believe modern furniture should be nothing short of quality. In fact, the furniture in your house should have character. That is what Stone River Furniture strives to bring you. Our natural and refined style was designed to make you feel like you are truly where you belong. We want you to walk through your door and say, "This looks like home." As you search through our catalog, you will see that we took careful thought into creating pieces that are not just practical, but also beautifully designed. Just like a river smoothing a stone, we strive to take the time and skill to create those special pieces that belong to you. Our passion is poured out into these products we have handcrafted for your home. We must express how grateful we are at Stone River Furniture for your interest in our products. Your business with us is a great blessing.

Thank you for your support,
MENNO MILLER | OWNER

THE PROCESS

STEP ONE

THE LOGS ARE CUT INTO SLABS AT THE
AMISH LUMBER MILL.

THE PROCESS

STEP TWO

THE SLABS ARE STACKED OUTSIDE FOR UP TO ONE YEAR THEN KILN DRIED. THIS SLOW PROCESS OF DRYING MAKES THE SLABS AS STABLE AS POSSIBLE.

THE PROCESS

STEP THREE

THE SLABS ARE PLANED FLAT MAKING THEM READY FOR THE AMISH CRAFTSMEN TO CREATE THEM INTO SOME REALLY BEAUTIFUL ONE OF A KIND PIECES OF FURNITURE.

THE PROCESS

STEP FOUR

THE EPOXY STEP HAS TO BE DONE IN LAYERS WHICH
CAN CREATE SOME REALLY AMAZING LOOKS!!

THE PROCESS

STEP FIVE

ENJOY YOUR ONE OF A KIND PIECE OF FURNITURE
WHICH STARTED OVER A YEAR AGO!!

Vermilion River Live Edge Tables

Discover the unique charm of our Vermilion River Live Edge Tables, blending nature and art. Crafted from two live edge slabs with a "river" of epoxy or river rock between them. These tables offer a stunning centerpiece. Choose from 20 epoxy colors or river rocks covered in clear epoxy. For a more refined look, see our "Square Eased Edge" option that smooths the outside edges while keeping the beautiful river design in the middle of the table top.

VERMILION RIVER WATERFALL TABLES

Vermilion River Waterfall Collection:

Experience the stunning Vermilion River Waterfall Live Edge Tables, featuring a captivating river of epoxy (20 colors available) or river rocks covered with clear epoxy flowing down the center and separating the live edges of the wood. These tables showcase a unique waterfall design, where the off-cut from the table is used as a leg on one side, creating the impression of the river cascading over the top and down to the floor. The other side is supported by a sleek metal base, blending natural beauty with modern style. Each table is meticulously handcrafted, ensuring exceptional quality and a unique piece tailored to your preferences. Transform your space with this masterpiece that combines the elegance of flowing water with the rustic charm of live edge wood.

COOKIE SLAB TABLES

Live Edge Cookie Tables

Our dining and occasional tables are crafted from live edge cookies, or live edge rounds, which are cross-section cuts of tree trunks. These sought-after slabs maintain the natural lines and outer edges of the tree, preserving its unique character. We occasionally use epoxy to smooth some edges. Available in Spalted Maple or Buckeye Burl, each table showcases the rustic beauty of the wood's natural edge beneath the bark.
