APRIL 2025 PRODUCT CATALOG

Ashery Oak | 8959 Township Road 652, Fredericksburg OH 44627

HISTORY

What is an Ashery?

An ashery is a factory that converts hardwood ashes into lye, potash, or pearlash. Asheries were common in newly settled areas of North America during the late 18th century and much of the 19th century, when excess wood was available as settlers cleared their land for farming.

Lye was produced by soaking ashes in hot water, filtering out the ashes, and repeating with fresh ashes as necessary to obtain the desired alkalinity in the resulting liquid. This liquid, commonly called lye could then be mixed with fats to produce soft soap, or it could be evaporated (often by boiling) to produce pot ash or black salts which still contained dark carbon impurities. The potash could then be baked in a kiln to further refine the substance into a pearly white material called pearl ash, pearl-ash or pearlash.

The lye and potash stages were commonly performed on site by the settlers themselves, and the asheries only performed the final step and most difficult step of converting the black salts to pearlash.

The product was often shipped to Great Britain where it was used in the production of Glass and ceramic wares.

In the 1800's, our community had a working Ashery factory and as a result, this area is referred to as The Ashery.

ABOUT US

Rooted in Heritage, Crafted for Generations

Nestled in the heart of Fredericksburg, Ohio, Ashery Oak is owned and operated by Wayne Hershberger, whose passion for woodworking is rooted in tradition and excellence. Whether it's a refined office desk or a cozy living room centerpiece, every item we make is a tribute to the artistry of woodworking and the legacy it carries.

Our name, Ashery Oak, reflects both strength and heritage. Historically, an "ashery" was a place where potash, a vital ingredient in early American industry, was made—a nod to hard work and enduring value. Our logo, a sturdy oak tree, embodies the same principles: resilience, dependability, and natural beauty.

At Ashery Oak, we believe furniture should be more than functional—it should tell a story. Every table, bookcase, and cabinet is a testament to our commitment to quality and our deep appreciation for the art of woodworking. Discover the Ashery Oak difference and bring the warmth of timeless craftsmanship into your home or office.

INFORMATION

Electric Fireplace Information

Enhance your home with the warmth and ambiance of our premium electric fireplaces. Designed for both style and function, these units provide efficient heating and customizable flame effects to suit any space.

- **POWERFUL HEATING** – Capable of heating rooms up to 1,000 sq. ft., ensuring comfort even on the coldest days.
- **CUSTOMIZABLE AMBIANCE** – Choose from five unique flame effects to create the perfect atmosphere.
- **YEAR-ROUND ENJOYMENT** – The flame display operates independently from the heat, allowing you to enjoy the cozy glow in any season.
- **CONVENIENT REMOTE CONTROL** – Effortlessly adjust settings for heat, flame effects, and more from across the room.
- **VERSATILE SIZING OPTIONS** – Available in multiple sizes to fit your space and design preferences.
- **QUALITY ASSURANCE** – Backed by a 1-year warranty for peace of mind.
