

outdoor furniture catalog

We have got you covered for your outdoor retreat, here at Outdoor Retreat

outdoor  
*retreat* LLC

8668 ALABAMA AVENUE SW . NAVARRE, OHIO 44662

# Taking Care of Your Furniture

**Recycle:** Go Green poly lumber is made out of recycled plastics such as milk jugs, orange juice cartons, etc.

**Warranty:** Product will last a lifetime. This warranty covers for any warping and any defect in the material. Rotting decaying, or splintering.

Residential 15 Year Warranty except Dining Chairs and Rockers 7 Year Warranty  
Commercial 7 Year Warranty except Dining Chairs and Rockers 3 Year Warranty

**Can do:** Leave outdoors in all elements of weather such as winter, summer, and direct sunlight. It will not damage the product

**Limitations:** Clean only with soft soaps and hot water. Absolutely do not use harsh chemical soaps. It will damage the surface, and warranty will not cover that.

**Benefits:** There is no maintenance. No painting, staining, or clear coating. It is structured with aluminum bracing-marine grade stainless steel screws so that it will not be damaged by salt water such as on ocean fronts.

**Cushions:** Cushions are made out of materials especially for the outdoors in all elements of weather. No color fading even in direct sunlight. They are structured with a fiber pad so water will not damage the product, as fiber does not hold water. Simply set cushions on end, and the water will drain out. However you will probably not want to sit on them for a couple hours after a hard rain because they will be damp. If possible keep clean from leaves and decaying debris because it can stain material.

**Normal Stains/Dirt:** Remove loose dirt with soft bristle brush or hose down with cold water. Clean with water and mild soap. Rub in mixture with a soft brush, and allow to thoroughly soak into fabric. Rinse thoroughly with cold water, and air dry. For light cleaning, avoid the use of detergent.

**Stubborn Stains/Dirt:** Remove as much surface dirt as possible. Soak fabric in a mixture of one gallon cold water, 1/2 cup bleach, and 1/4 cup mild soap. Soak for one hour. Rub in mixture with a soft brush, and rinse thoroughly with cold water. Air dry. Never use water over 100 degrees Fahrenheit, and never machine dry your outdoor fabrics.

Using detergents may remove some of the water resistant and stain resistant properties. You can restore these properties by spraying on a post cure fluorocarbon. These sprays can be obtained through dry cleaning supply stores and stores that sell marine products.

# Color Options

All fabrics in sample swatch are included in current pricing, however other fabrics such as Livesmart - Sunbrella - etc. are available with a 30% upcharge on the cost of the cushions cushion pricing in back of pricelist.

## Color Options

### Standard

Blue  
Bright White  
Cardinal Red  
Cedar  
Cherrywood  
Dark Gray  
Light Gray  
Patriot Blue  
Tudor Brown  
Turf Green  
Weatherwood  
Bright Cedar  
Ivory

### Tropical

Aruba Blue  
Bright Orange  
Lemon Yellow  
Pink  
Bright Red  
Tropical Lime Green  
Purple

### Embossed Wood

Antique Mahogany  
Driftwood Gray  
Birch Wood  
Walnut  
Coastal Gray  
Brazileon Walnut  
Sea Shell

## Limitations

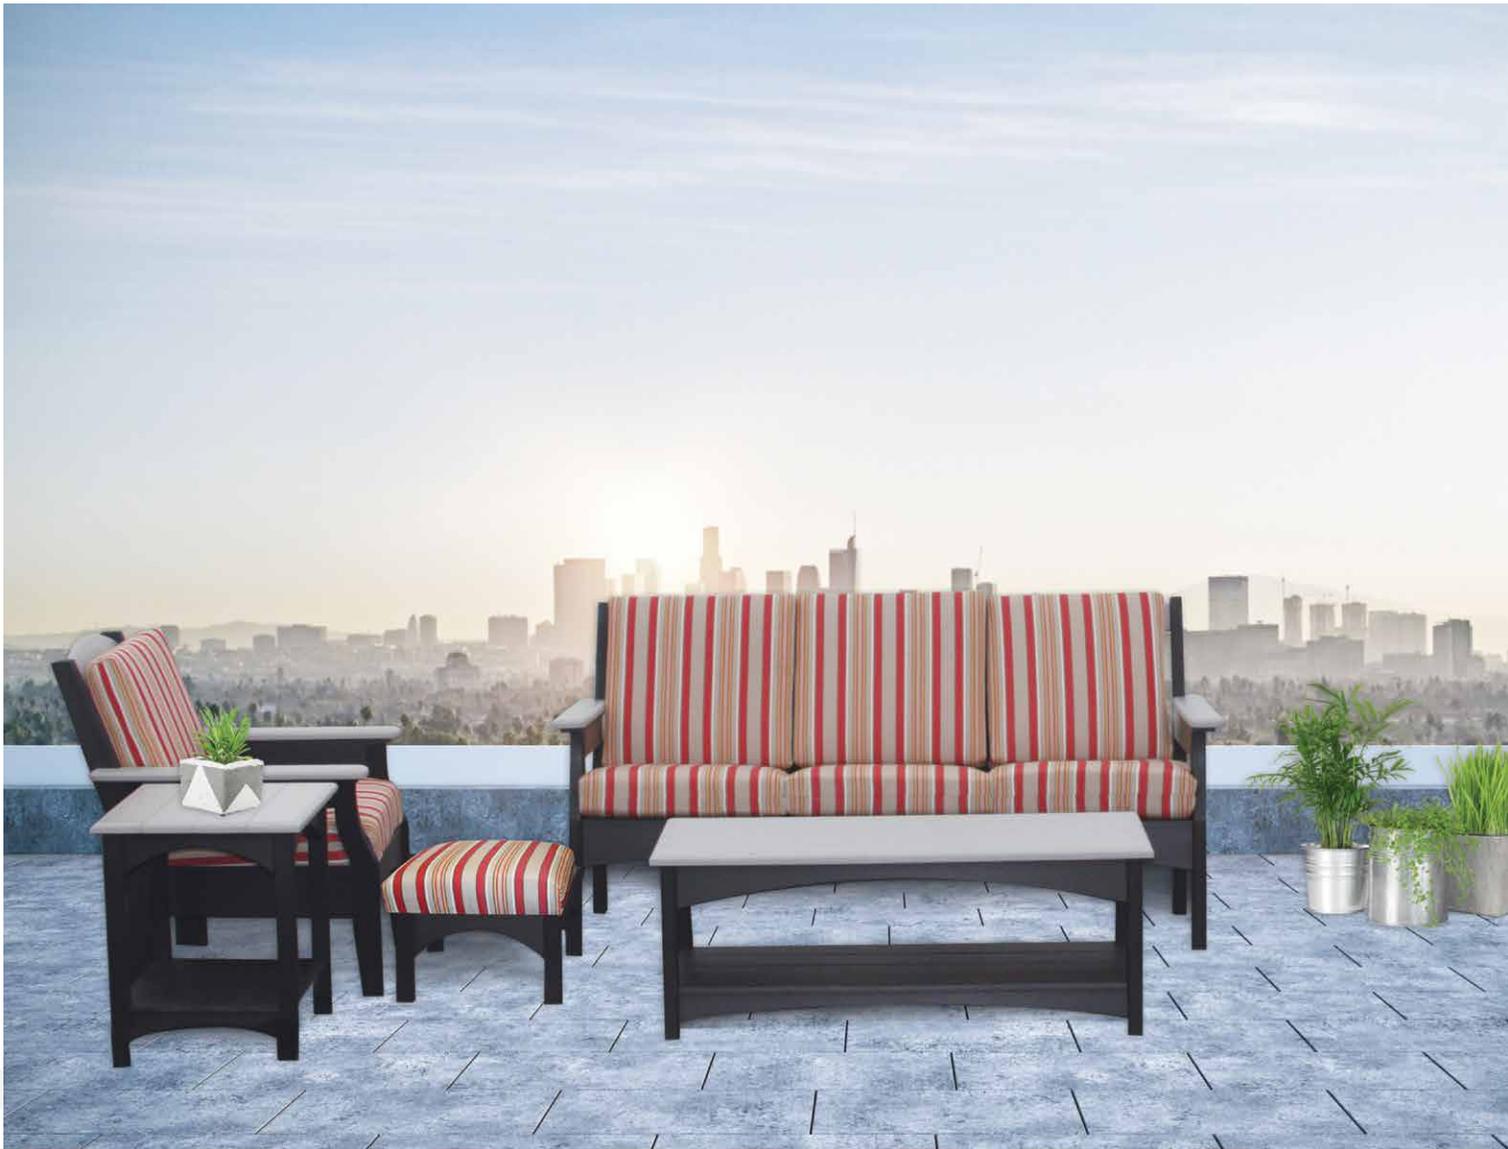

There are some specific colors I cannot use for my bases and front chair legs because of the size materials I need to use (As in the Madison, Williamson and Shaker Tables, Galvaston, Madison, Shaker front chairs, and the Madison End and Coffee Tables). However I can make some changes and you can still get your colors. I can't get any 4 x 4 posts for Tropical colors. But I can alter the bases by using 1 1/2" materials. The chair front legs I can get in any color using the Williamson style legs minus the flutes. In the Galvaston table base I can get all colors except Cardinal Red or Pink. Chairs, sofas, and loveseats I can get all colors using 1 1/2" legs.

### The colors I can do without limitations are:

Bright White	Antique Mahogany
Cherry Wood	Birchwood
Weather Wood	Driftwood Gray
Turf Green	Black
Tudor Brown	Patriot Blue
Dark Gray	Ivory
Light Gray	Coastal Gray
Brazilean Walnut	
Walnut

## Fire Pit Information and Options

I am not able to put a cabinet under a table smaller than 40 x 40;  
even so it will almost look awkward, but is workable.

**Propane tanks will not be included in any of the pits. You will get a firepit, glass windguard,  
all fittings, and 10# glass chips.**

We are unable to do any cabinets undertable in Tropical Colors. We can do most of the embossed  
wood Grains. We can do standard colors in Black, White, Tudor Brown, Light Gray, Dark Gray,  
Weather Wood, Cherry Wood, Cedar, and Bright Red.

The fire pit is 100% stainless steel including the door handle and hinges.

You also have the option of getting your own fire pit and attachments. For pricing, deduct:  
\$400.00 from prices listed. **Please specify what size pit you want to put in.**
